*A death that was presumed COVID-19 positive was reported on 5/21. Test results have since been determined negative for the virus. The total was adjusted accordingly.

- Nursing homes, skilled nursing facilities, and assisted living facilities are collectively known as long-term care facilities (LTCF).
- This list is not intended to suggest neglect or wrongdoing on the part of the facility.
- Facilities with two or fewer cases in either a resident or healthcare worker are not listed in order to protect patient privacy.
